BWI Health Promotion Coordinator Certification

(Ideal for anyone managing or planning to implement a wellness program)

This course provides a foundation for successfully implementing and managing an employee wellness program. Participants receive the education, support, and tools they need to start, re-energize and/or maintain a wellness program specific to a company's needs. BWI's Health Promotion Coordinator Certification is a 4.0-hour course, and includes a coordinator manual, a CD with templates and additional skills for implementation, along with ongoing support from BWI's experienced wellness professionals. Participants who successfully complete the course become certified as a BWI Health Promotion Coordinator.

LEARNING OBJECTIVES:

- Assess employer's budget, needs and desired outcomes
- Understand benefits of different program models and select one that matches specific organizational needs
- Engage corporate stakeholders, including employees
- Understand regulatory issues in worksite health promotion
- Facilitate an effective wellness team
- Be prepared to execute key components of a comprehensive wellness program, including needs and interest assessments, program planning, vendor management and evaluation.

Online Course Requirements:

Participants must complete all lessons and pass an online final exam with 80% or better.

- *Learn to manage an employee wellness program!*
- 4-hour onsite course includes lecture, toolkit, coordinator's manual, CD with templates, expert advice/support
- SHRM Foundation reading assignment article
- Approved for Continuing Education Units
